Health & Wellbeing

A one day event

Tuesday 8th September 2009
@ Circles Network, Atherstone 10am - 2pm

If you have ever wondered what happens in a modern and personalised day service, now is your chance to find out. Circles Network, Atherstone provides a dynamic, person centred service for disabled people living locally. Currently we have vacancies for additional places, for volunteers and for part time staff. We are holding a one-day open event to showcase some of the activities you may be interested in, with a particular focus on health and well being.

You will get the chance to sample experiences like massage & healthy foods, to feast your eyes on great examples of arts and crafts and to enjoy refreshments and conversation with interesting people. If you wish to come along please contact us to reserve a free place.
