for families with children 0-5 years

# Ready, Steady, Go

Ready, Steady, Go is an innovative programme for families with children aged between 0-5 years who may have additional needs.

Our aim is to offer structured play sessions with ponies and other animals to prepare children for their first year at school or pre-school.

The programme will take place in an outdoor, countryside environment and sessions will be centred around nature, ponies and the Early Years Foundation Stage (EYFS) framework and covering all 7 topics:

- Personal, Social and Emotional development
- Physical Development
- Communication and Language
- Understanding the World
- Expressive Arts and Design
- Literacy
- Mathematics

Parents and guardians will get the chance to get together in small groups to learn from each other and share new experiences.

Our Facilitators are skilled in Equine Facilitated Learning and animal assisted therapeutic methods and have a wealth of experience with children in their early years.

This programme is supported by a small Smart Start community grant through Warwickshire County Council and we are extremely grateful for this privilege .

“  
Anyone who takes children outside regularly sees the enjoyment, and sense of wonder and excitement that is generated when children actively engage with their environment.”
