A PLACE TO BELONG, HAVE FUN AND BE YOU.

Fun United is a social group aimed at and funded for children and young people aged 11-19 who have a diagnosis of a disability and/or autism and live in Peterborough.

It offers a safe, inclusive space to relax and have fun. The group is person centred and member-led, meaning activities are shaped around what our young people enjoy and want to do.

Members can take part in a range of activities at our Hub and out in the community - from bowling, mini golf, and outdoor adventures to bingo, quiz nights, creative sessions and more.
